KG AND LOWER SCHOOL EVENT!

ONWARD & UPWARD BOOK SWAP ON THURSDAY, JUNE 15!

Did you know that Bill Gates reads 50 books per year? Reading is his top tip for students. Do you need summer reading material? On **Thursday, June 15th**, in the Pierre Bergé auditorium, we will have our second book swap. Bring all of your books that you have enjoyed and no longer read, receive a ticket for each book donation, then use your ticket to buy someone else's book.

Please bring your books no later than Wednesday, June 14th. Tickets will be given according to the value of the book. (Smaller books and paperback books will have a value of one ticket. Larger books and hardcover books will have a value of two tickets.)

Please bring your books to your homeroom teacher, who will keep a list of tickets and distribute them during the scheduled swap time for your child's class.

We Love Books!!
