

Summer Reading Assignment 2018

Why is the Summer Reading Assignment important?

- *It provides an opportunity for students to continue to strengthen their reading skills. Numerous studies indicate that students who don't read or read infrequently during their summer vacation see their reading abilities stagnate or decline.*
- *All students will take a graded quiz based on their assigned text(s) during the first week of school in September.*
- *Students who have completed the assigned note-making task(s) will be allowed to use their notes during the quiz.*
