

Summer Reading and Math Challenge 2016

Dear ASM Parent or Guardian of **STUDENT NAME**;

The long summer vacation is just around the corner and I want to make sure that your child continues to make progress in his or her reading AND math skills during the break. To encourage students to avoid the "summer slide", students are encouraged to participate in the Lower School 2015 Summer Reading and Math Challenge. This year the challenge involves two new websites designed to strengthen a student's mental math and reading comprehension skills.

READTHEORY - <http://www.readtheory.org> User Name: **XXXXXX** Password: **asmread16**

XtraMath - <https://xtramath.org> Pin Number: **####**

Students are encouraged to try and challenge themselves this summer by earning points on each website. Goals have been set for each grade level.

Grade at the beginning of Fall 2016	Tier 1 prize: Certificate of recognition and you get your name in a raffle. TIER 1	Tier 2 prize: Invitation to a special half day party. TIER 2
1	MATH: 100% Addition facts on Xtramath READING: 1000 readtheory points	MATH: 100% Addition and Subtraction facts on Xtramath READING: 2000 readtheory points
2	MATH: 100% Addition facts on Xtramath READING: 1500 readtheory points	MATH: 100% Addition and Subtraction facts on Xtramath READING: 2000 readtheory points
3	MATH: 100% Addition and Subtraction facts on Xtramath READING: 2000 readtheory points	MATH: 100% Addition, Subtraction and Multiplication facts on Xtramath READING: 3000 readtheory points
4	MATH: 100% Addition, Subtraction and Multiplication facts on Xtramath READING: 2500 readtheory points	MATH: 100% Addition, Subtraction and Multiplication and Division facts on Xtramath READING: 4000 readtheory points
5	MATH: 100% Addition, Subtraction, Multiplication and Division facts on Xtramath READING: 3000 readtheory points	MATH: 100% Addition, Subtraction, Multiplication and Division facts on Xtramath READING: 5000 readtheory points
6	MATH: 100% Addition, Subtraction, Multiplication and Division facts on Xtramath READING: 3500 readtheory points	MATH: 100% Addition, Subtraction, Multiplication and Division facts on Xtramath READING: 6000 readtheory points

Sincerely,

Danielle Lewerenz
Lower School Principal

If you need your child's password for either website, please contact the Lower School Principal (dlowerenz@asm.ac.ma). All documents are available in French on the school website www.asm.ac.ma
