World Teachers' Day TOMORROW (Monday)!

Please give recognition for the hard work, dedication and professionalism of your teachers by saying 'thank you' tomorrow (Monday). This year's UNESCO World Teachers' Day will celebrate teachers with the theme "**Teachers: Leading in crisis, reimagining the future**". The day provides the occasion to celebrate the teaching profession worldwide, take stock of achievements, and draw attention to the voices of teachers, who are at the heart of efforts to attain the global education target of leaving no one behind. ***Please see the article by Jessica Abou Zhib (Grade 10 student) on Page 3.***

Health & Safety

This week you will notice a mask poster appear on classroom doors. We will be awarding recognition for correct mask wearing and safe distance in class. The classes with the most recognitions on the mask poster will be awarded a prize before Winter Break!

Lunchtime Activities (led by G10 students)

The **Art Club** will take place during lunchtimes at the picnic tables in the Middle School Courtyard (behind the music room) every day except Wednesdays. Come and express your creativity! Due to safety reasons, you should bring your own materials (paper, pencil, eraser, sharpener, markers and colored pencils). Each day the focus will be based on a specific theme. There will be weekly competitions: one student will win a certificate and a nomination in the Warriors' Weekly.

The **Track and Field Club**... spend 30 minutes of your lunch break being active and having fun! The club will help students to practice their running and jumping techniques. Join us on the soccer field during lunch every day except on Wednesdays. There will be weekly competitions... win a certificate and a nomination in the Warriors' Weekly!

ASM Walking Challenge... how many laps of the track can you complete in a week? Walk with your friends (safe distance) and we will count the laps!

Seeking Student Ambassadors...

Thank you to the students who have already signed up to be Student Ambassadors! If you are a High School Student and you who would like to earn Service Learning hours for supporting and supervising recess/lunchtime activities for younger students, please contact Ms Smith csmith@asm.ac.ma

What Can We Achieve Without Appreciation?

Article by Jessica Abou Zbib (Grade 10)

What keeps you in school?

Have you ever asked yourself how much your teachers have done for you? Waking up every morning, getting dressed, arriving at school, entering your classroom and watching the smile of every teacher giving everyone the inspiration and encouragement to achieve their goals. Thanks to all the teachers for making sure that every student is receiving the best academic education. As ASM students, we would like to thank all teachers for making us the hard working students we are today... for being the most amazing teachers by inspiring us daily, and making sure every student is following up on every lesson! To our wonderful teachers:

- **Thank you for your patience.**
- **Thank you for the encouragement and inspiration.**
- **Thank you for those interesting lessons.**
- **Because of you we have come to love all those different subjects.**
- **Thank you for pushing us to be our best selves.**
- **Thank you for emboldening us.**
- **Thank you for helping us dream big.**

At ASM, our teachers are an inspiration to every student and we are all lucky to have them as our teachers. Please remember to thank your teachers tomorrow on World Teachers' Day!
