Book Recommendations

Article by Jessica Abou Zbib (G10)

We Were Liars

We Were Liars, by E. Lockhart, a young-adult novel that won the Goodreads Choice Award. The wealthy Sinclair family, seemingly perfect, who spend all the summers together on their private island. Focuses on the themes of self-acceptance, family morals, and consequences that come from individual mistakes. Who are the Liars?

A Wrinkle in Time

A Wrinkle in Time, written by Madeleine L'Engle, Meg's father disappears into another realm in space. His children and other members of their community decide to be brave enough and travel the dangerous journey to the planet that takes over all the evil in the universe to find their father. What will they experience?

Importance of Extracurricular Activities

Article by Jessica Abou Zbib (Grade 10)

Extracurricular activities allow students the chance to develop several skills such as social skills, meeting many new friends and the development of confidence when communicating in huge groups. “Extracurricular activities can also aid in the development of self-esteem and confidence.” The best feeling is when an individual succeeds in something they were hoping to achieve.

Examples of Extracurricular Activities include: (these are just a few examples)

- Debate Team
- Sports Team
- Community Service

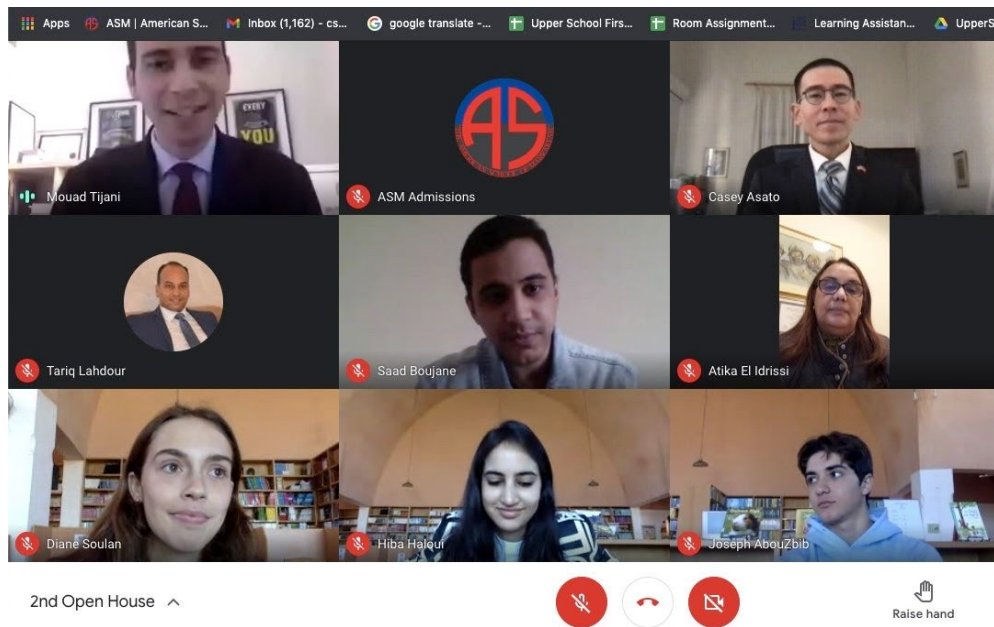

It is difficult to be a part of extracurricular activities during the pandemic but there are many ways that you can find solutions to that if you are really interested in being a part of any activity...

- contact Ms Young or Hiba Haloui (G12) to find out more about the **virtual MUN opportunities**
- join in with the lunchtime **soccer & frisbee groups**
- talk with Mr Lahdour or Otman Rouandi (G11) to find out more about the lunchtime **video games club** which takes place in the assembly hall
- Contact Diane Soulan or Sara Chabib (G10) if you are interested in joining a lunchtime **art club**

If you have an idea for a NEW extra-curricular activity, please let Ms Smith know and we will see what we can do!
