Upper School Photos Day - Thursday

All on-campus Upper School students will have official school photographs taken by the school photographer.

ASM Rising - Recycle, Renew, Recharge Project!

Throughout the month of Ramadan, please bring the following items into school:

- Plastic bottles
- Cartons
- Glass bottles
- Waste bread

Place the items in your classroom bins/buckets and they will be collected daily.

Each Advisory class is encouraged to create a structure/sculpture using the plastic bottles they have brought in (on the lawned areas towards the front of the school) based on the theme of '**ASM Rising... No Time to Waste! Create something that inspires others to sustain our world**'. The winning class in Middle School and the winning class in High School will be announced on Friday 21st May!

The poster is divided into several sections. At the top left is a photograph of a person's hand placing a plastic bottle into a green recycling bin. To the right of this is the ASM PTO logo, which features a stylized 'AS' inside a circle with 'PTO' above it, and the date '08 APRIL 2021' in large red and blue letters. Below the photograph, the title 'ASM RISING RE-CYCLE RE-NEW RE-CHARGE' is written in bold, with 'RE-CYCLE' in blue and 'RE-NEW RE-CHARGE' in red. To the right of the title is a quote: 'The ASM Community is committed to a greener tomorrow'. Below the title and quote, a list of five bullet points with star icons describes the project's goals and rewards. At the bottom left, a list of activities is provided with corresponding icons: Lectures (graduation cap), Events and Talks (megaphone), Sustainability (hands holding a globe), Environment (leaf), Reduce your carbon footprint (footprint), and ASM PTO Spotify Podcast for a green planet (Spotify logo). On the bottom right is another photograph showing children and adults sorting through various plastic bottles and cartons into blue and green recycling bins.

Photo Memories

Before the School Break, ASM's PTO Secretary, Tamou Redouani and her family generously donated 20 orange trees, 20 lemon trees and 20 roses so that ASM's students could create their very own citrus grove on the school campus. The following photographs capture the Upper School students' joy and appreciation whilst planting...
