ASM Rising, Recycle, Renew, Recharge Project Continues...

Please bring the following items into school: Plastic bottles; Cartons; Glass bottles; Waste bread. Place the items in your classroom bins/buckets and they will be collected daily. The plastic bottles will be vital for your '**ASM Rising... No Time to Waste! Create something that inspires others to sustain our world**' sculpture/structure... and you have just TWO Advisory lessons remaining to get creative and design and construct a winning masterpiece! The winning class in Middle School and the winning class in High School will be announced in a special assembly on Friday 21st May!

Facilitated by the ASM Parent Teacher Organization (PTO), Master Classes offer immersive and interactive experiences that give the community opportunities to meet with the world's leading practitioners in a variety of fields like art, science, literature, technology, sports, music, and food.

Each Master Class is led by a Guest Expert (or Master) and designed to offer in-depth yet accessible knowledge. The participants get to interact with the Masters through virtual or face-to-face interactions and have access to instructional videos and recordings. Whether your favorite trending passion is cooking, music, arts, science, sports, or technology, there is something to learn for everyone at ASM PTO's Master Classes.
