High School Graduation

The Seniors will graduate this week (on Thursday May 27th 5.00pm - 6.00pm). It's a magnificent achievement and in order to recognize their efforts the Grade 12 class will also be participating in a range of celebratory activities on Tuesday and Wednesday including: T-shirt and mask painting; a special assembly; team-building, sports and water activities; painting their Memory Mural. Unfortunately, due to restrictions placed on group gatherings, parents and families will not be able to attend the graduation ceremony in person but will instead be sent a link to be able to view the graduation ceremony virtually. We will do everything possible to ensure it remains a special and memorable occasion for all! Many congratulations to the Class of 2021 on their achievements!

AP Exams

Administration 2 AP Exams continue this week. These are digital exams to be taken at home. All students who are taking digital exams should have downloaded the [Digital Testing app](#). Exams start at 5pm and 9pm Moroccan time. The exam schedule can be found [here](#) on the College Board website.

Upper School Assembly (Monday 10:05 - 10:10am)

Please join the brief assembly using the following Google Meet link: <https://meet.google.com/tsd-amom-nit> with camera ON and microphone OFF.

Grade 8 & 10 MAP Tests

Grade 8 and 10 students will continue taking MAP tests in Math, English, Language Usage and Science in order to inform course placements for next year (2021/2022). These are diagnostic assessments to evaluate the students' achievement level and ability at a specific point in time.

FriYAY Fun! (Friday 11:35 - 12:25)

All Upper School students are invited to join us during Friday lunchtime for music, dancing and fun in the Upper School safe zone.

Photo Memories

ASM Rising, Recycle, Renew, Recharge Project

Classes used plastic bottles they had collected throughout the month to create their sculpture/structure based on the theme: 'ASM Rising ... No Time to Waste! Create something that inspires others to sustain our world'. All entries were designed and constructed in just 70 minutes!
