ASM Rising, Recycle, Renew, Recharge Project Continues...

Please remember to bring the following items into school:

- Plastic bottles
- Cartons
- Glass bottles
- Waste bread

Place the items in your classroom bins/buckets and they will be collected daily.

Each Advisory class is encouraged to create a structure/sculpture using the plastic bottles they have brought in (on the lawned areas towards the front of the school) based on the theme of '**ASM Rising... No Time to Waste! Create something that inspires others to sustain our world**'. The winning class in Middle School and the winning class in High School will be announced on Friday 21st May!

The poster features a top section with a photo of hands placing a plastic bottle into a green recycling bin. To the right is the ASM PTO logo and the date '08 APRIL 2021'. The main title 'ASM RISING RE-CYCLE RE-NEW RE-CHARGE' is in bold blue and red text. Below it, a quote states 'The ASM Community is committed to a greener tomorrow'. A list of five star-bulleted points details the project's goals and rewards. The bottom section, on a teal background, lists activities: Lectures, Events and Talks, Sustainability, Environment, Reduce your carbon footprint, and ASM PTO Spotify Podcast for a green planet, each with a corresponding icon. A photo of a recycling bin filled with waste is on the right.

RE-NEW RE-CHARGE**

The ASM Community is committed to a greener tomorrow

All you have to do is

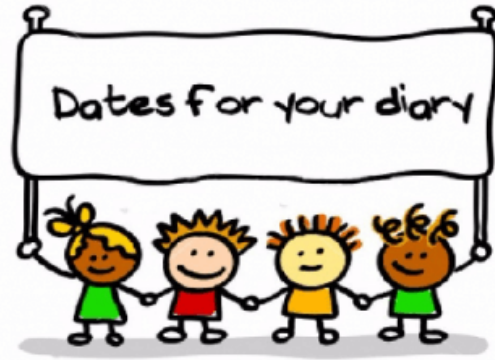

- ★ Join ASM in the drive to collect waste plastic bottles, cartons, glass bottles and waste bread.
- ★ Construct a 3D object based around a sustainable theme on campus.
- ★ The winning team will be awarded with a special team TREAT by the PTO.
- ★ The waste collected and made from the recycle drive will be sold where possible or sent off to the recycling plant in Marrakech.
- ★ All proceeds from the sale will be donated to projects in 'Douars' and the community around the school and also parent supported NGOs.
