## **Upper School Sports & Water Activities (Wednesday 11:15am - 1:45pm)**

A Field Sports & Water Activities Event will be held for all Grades 6 – 11 students, starting at 11.15am on Wednesday. The event is designed to foster positive sporting values, promote team-building and community spirit and celebrate the end of the academic year.

During the afternoon, students will be maintained in their grade/class team 'bubble' and they will compete in a range of fun field and water activities against other grades/classes.

If a student is not medically fit and therefore unable to participate, they will be required to provide a note from a parent or doctor. Students who are not able to participate will be assigned specific responsibilities in order to support the event (i.e. time-keeping, lap-counting, etc.)

**On Wednesday, all students should come to school dressed in their PE kit (trainers, socks, shorts, track/jogging pants, T-shirt, sweater), whilst still remaining in compliance with the school dress code as far as possible. They should be mindful that they will get wet during the water activities (during Block 3 for High School and during Block 4 for Middle School) and they should wear appropriate clothing and footwear and bring a towel.**

All students will attend classes as per their usual schedule for Blocks 1 and 2. After Break 2 (at 11.15am), they will go to their Block 3 lesson, where they will register with their class teacher and then leave their belongings in the classroom before being escorted to the soccer pitches by their class teacher to join a warm-up before the activities start.

As the weather is likely to be hot, it is essential that all students ensure that they are equipped with the following:

- **Water Bottle**
- **Sun Hat**
- **Sun Lotion**
- **Towel**

## **Upper School End of Year Exams (Thurs 10th, Fri 11th & Mon 14th June)**
