COMMUNITY

The American School of Marrakesh is an independent, college preparatory school committed to providing an inspirational and well-balanced learning environment. The student body is culturally diverse with a population that is 47% Moroccan, 23% French, 14% American, and 16% other. Our staff and faculty include 36 teachers and instructional leaders who mainly come from the United States, Canada and the United Kingdom. Our Teachers hold professional certification in their area of expertise.

SCHOOL

The American School of Marrakesh offers a comprehensive four-year high school program in Grades 9-12. The school opened in September 1995 and graduated its first senior class in 2008. The American School of Marrakesh is fully accredited by the Middle States Association of Colleges & Schools, the Mediterranean Association of International Schools, is recognized as an International Baccalaureate World School, and is officially recognized by the U.S. Department of State and the Moroccan government as one of five American schools in Morocco

CURRICULUM

The school offers students the opportunity to graduate with two high school diplomas as ASM provides two rigorous curriculums that complement each other. The two curricula are the International Baccalaureate Diploma Program and the Pan American curriculum, providing a rigorous student centered curriculum. The school offers the IB DP Candidates in 11th and 12th grade, the opportunity to apply for the IB Bilingual Diploma. Also, the school offers the Pan American curriculum based on the AERO (American Education Reaches Out) Standards to both Moroccan and international students, from prekindergarten to Grade 12. The academic program includes six core courses (English, math, science, history, Arabic and French) and a selection of electives. The school currently operates on a semester system. Students are involved in a wide array of co-curricular and service learning activities.
